Announcement

2012 Ohio Mathematics Contest

This announcement is to notify parents, teachers, and students of the annual Ohio Math Contest. For more details, please visit the website http://iis.stat.wright.edu/OMC for additional information.

The annual Ohio Mathematics Contest will be held on Saturday, April 21, 2012, at Wright State University. The contest is for elementary, middle and high school students in grades 4 through 11. It is organized by the Dayton Branch of Korean-American Scientists and Engineers Association and hosted by the Department of Mathematics and Statistics, Wright State University, with sponsorship from various institutions and organizations. The purpose of the contest is to stimulate interest in mathematics among upper elementary, middle and high school students and to recognize those who exhibit exceptional talent. The organizers and sponsors ask teachers and parents to strongly encourage their students in grades 4 through 11 to enter this Contest.
